Description

Full Turkey Project, completion 2024, full licence ready to start building right away.

A beautiful and luxurious villa 7 minutes drive to the Arenal. This villa has amazing views of the Montgo and is energy efficient with solar and heat exchange. The villa also offers lots of light giving a warm, airy and contemporary feel.

This project of straight lines and warm finishes is distributed over three floors on a good size plot with 3 double bedrooms including a large garage and utility room.

On the main floor there are ... (enquire for further details)
