Description

This well presented property with spectacular panoramic front line views over the Mediterranean Sea and towards Ibiza and the lighthouse of Cabo de la Nao, located in the exclusive urbanization of Balcon al Mar, Jávea. With its extraordinary architecture it will discover two separate dwellings (main part and apartment each with their own pool), so this separate apartment will be perfect for accommodating guests or family members. The property enjoys plenty of sunshine with his east and southeast orientation. The two separate swimming pools, ... (enquire for further details)
