### Description

Duplex penthouse on the beachfront with excellent frontal sea views, carefully decorated in a Mediterranean style in which white and beige colours predominate with the blue of the sea in the background, natural elements such as wood and rattan fibre and porcelain flooring in large format, with warm lighting that invites you to relax while enjoying the wonderful sea views, recently refurbished, all brand new.

On the lower floor of 65 m2 plus a terrace of 25 m2 with frontal sea views, is located the living - dining room equipped with a ... (enquire for further details)
