Description

What a villa - the most charming and beautiful villa with sea views to die for all architecturally designed by the famous Manuel Jorge, renowned for many stunning villas in Javea.

The villa is on the iconic La Corona street in the port, the road to be on if you're in the know, all villas here benefit from drop Dead Sea views, this one beats them all, with the marina, the Arenal and even Cumbre, you see it all from this villa.

The outdoor space is excellent, a good size pool overlooks the sea and harbour, a nice few areas ... (enquire for further details)
